PRESIDENT'S SEPTEMBER 2004 MESSAGE

by Ray Williams

Well, guys, summer is over & Labor Day will be past by the time you get your newsletter. We had a good turnout for our Fluke & Sea Bass Tournament. One of the things I really enjoyed about this tournament was the social afterwards at Bill Logan's home. It was really nice to see the guys talking fishing & the girls talking the things girls talk about. In addition, we had several Junior Anglers at the social. It's interesting to see fishing through their eyes. If these guys are the future of recreational fishing, we will benefit from their participation and contributions. I hope to see all of you at the meeting on Friday, September 10th; we have a great speaker scheduled. Jim Hutchinson, Jr., the editor of The Fisherman Magazine, will speak to us on Striper Fishing. I would like to thank all the guys who turn out for the meetings and helped make them so informative. See you Friday!

The October & November Fish of the Month is Striped Bass.

REPORT ON THE FLUKE & SEA BASS TOURNAMENT

The open water (bay and ocean) fluke and black sea bass fishing tournament conducted by the Village Harbor fishing club was held on Saturday August 28th. The combination of great weather, 25 participants and a fantastic barbecue at Bill Logan's home made for a very successful tournament. Bill Logan and Ed Wetmore co-chaired this event and are very grateful to all members who made this event a super experience for all who fished and attended the barbecue.

The winners of the event were:

- John West aboard the "Last One" with a fluke weighing in at 7.1 lbs (Wow! a great fish)
- Bill Dabney aboard the "New Beginning" with a black sea bass weighing in at 1.4 lbs

The Winners will be presented with their awards at the September 10th Meeting.

The club would like to thank Bill & Arleen Logan for their great hospitality and sharing their

home for an afternoon while hosting a fantastic barbecue; great job Arleen and Bill. We also want to thank John Kerstanski for bring the Chef of the Day; John arrived early at the Logan's home and helped set up while Bill was out fishing. He then cooked up the best tasting hot dogs and hamburgers. A great team effort from all.

FLUKE FISHING REPORT by Jeff Barnhart

This picture was taken on a recent trip to Barnegat Ridge aboard Captain Jeff Barnhart's "Reel Deal". Shown are John "Duke" Lyszczarz, Bill "Wild Willie" Farris, Captain Jeff Barnhart and Chuck Belotti showing off their catch of fluke.

TRY FROZEN SPEARING by Bill Jann

I went up to Barnegat Inlet yesterday (8/3). Had slack low water for the first hour, drifting on the flat in front of the lighthouse, and nothing but crabs stealing my bait. If you haven't been there recently, that flat has really changed its contours. Watch your depth on the south side. All the killies in my float had died so I used frozen spearing and squid. The fluke really seemed to like the spearing. I got a few on plain squid, but mostly they wanted a spearing on there too. Once the tide started in, I went up the inlet, to the end of the south side rocks, and drifted back in.

I had a steady pick of fluke all morning, with a few sea robins mixed in, between there and Meyer's Hole. The Meyer's Hole fluke were biting where it's current came together with the main one. Ended up with 7 keepers and about 15 good-sized shorts. For a change, even the shorts were 15" or better. (See below)

EDITOR'S NOTE by Dick Vesper

It is worth noting that Junior Anglers caught the only two fishes of record reported for August. I hope we will also see some Co-Members added to our record book in the not too distant future as well.

Sorry we had to report weigh-ins as of noon August 30 (prior to month's end) but we needed to get the newsletter delivered to you all in advance of the next meeting. We will announce the winner of the August Fish of the Month Award at our September 10 meeting as well as in the October newsletter.
